PARTNERSHIP DOCKET

About Awards

Awards are a brilliant opportunity to not only recognize the excellence of the India gear industry, but also to boost and build brand awareness, and cement its credibility among their industry peers.

Gear Technology India along with AGMA is hosting its first gear industry awards to bring together manufacturers and vendors under one roof to celebrate their impressive achievements and contributions to the Indian gear industry. We invite you all to participate and nominate your fellow peers in the categories mentioned below.

WHY SPONSOR?

The first Gear Technology India focused industry awards offers unparallel benefits for your brand and organizations.

Media Exposure, Marketing
& Promotion advantage

Opportunity to Present the Award
